Kia Orana

Kia Orana – That's the Cook Islands way of saying 'warm greetings and may you be well'. I have been at the helm of our Pacific Resort canoe for over 10 years and a considerable number of my crew have been paddling for us for much longer. I am very proud of our staff as most were born in the Cook Islands and I trust you will enjoy their genuine desire to make your stay comfortable. It was Somerset Maugham who said:

"Once you have experienced Polynesia, stay. To fail to do so, means spending the rest of your life yearning to return."

We will all therefore do our very best to look after you in the warm tradition of Polynesian hospitality and trust you will return many times to stay with us. This vacation planner has been carefully prepared to provide you with as much information as possible about our resorts' facilities and services.

I trust that you will enjoy your time in the Cook Islands.

Kia Manuia,

Greg Stanaway
Chief Executive Officer

Unforgettable Weddings & Honeymoons

At Pacific Resort Hotel Group we select the very best wedding specialists to pamper and style you, officiate at your ceremony and snap and record your big day. Together we will make your special day magical.

Getting Married in the Cook Islands

The Cook Islands have a relatively relaxed policy allowing international citizens to be legally married. After applying for a wedding licence on any weekday, the couple are required to reside in the Cook Islands for a further 3 working days prior to the wedding ceremony. If this is not possible, the process can be expedited by

applying for a waiver which still requires one full working day prior to the wedding ceremony. The couple are also required to produce their birth certificates (in English), passports and any 'decree absolute' (divorce documents).

Our Wedding Ceremony Experiences

Our properties are situated in two of the most beautiful and romantic locations in the world, the sandy white shores and crystal clear waters of Muri Beach & Lagoon, Rarotonga and Aitutaki Lagoon, Aitutaki.

Our wedding packages offer a variety of ceremony venues and additional services tailored to your specific requirements.

Pacific Wedding Ceremony includes:

- Exclusive location at one of our three Cook Islands' properties.
- Services of a professional weddings & events team with unlimited email communication prior to arrival, full consultation on arrival and ceremony attendance.
- Internationally recognised Marriage Certificate with Apostle stamp.
- Application and filing of your marriage licence, including transport and chaperone to the Ministry of Justice for registration.
- Marriage celebrant with full consultation prior to your wedding day to ensure a personalised wedding service.
- Witnesses (if required).

Pacific Resort Rarotonga has everything you could ask for to create that magical atmosphere. Exclusive beachfront or tropical garden settings adjacent to the calm, clear waters of Muri Lagoon, make for one of the world's most romantic locations. At Te Manava Luxury Villas & Spa, couples can enjoy complete privacy in 5 star luxury with the added bonus of massage and beauty treatments available onsite. Aitutaki's breathtaking, seemingly surreal location is the picture perfect setting for any romantic getaway - whether it be for a weekend of bliss or a wedding celebration.

Whichever resort you choose, our professional weddings and events team can help take the stress out of planning your island wedding, so you can relax and enjoy your time celebrating with your loved ones. A range of wedding packages are available that can be customised with additional ceremony services to suit your needs.

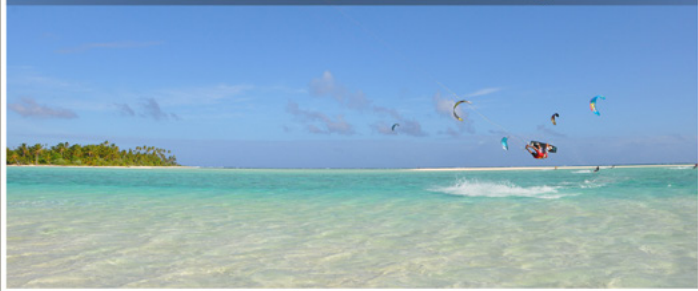

It's those extra special touches that Pacific Resort Hotel Group caters for when couples are celebrating anniversaries and honeymoons, such as a bottle of sparkling wine or a vase brimming with tropical flowers in your room on arrival, that make it so easy to focus on spending quality time with your loved one.

If the occasion calls for it, private dining experiences can be arranged from a selection of secluded, desirable settings. Indulge in the ultimate Bedouin Tent Private Dining set up on a secluded beachfront location surrounded by rose petals and torches.

Whatever the occasion, Pacific Resort Hotel Group have all the ingredients to create unique experiences and special memories.

KITESURF OUR COOK ISLAND LAGOONS

The Trade Winds passing through the Cook Islands between May to October, combined with the passing Low Pressure Systems in the tropical belt, make for absolutely perfect conditions for kitesurfing at all skill levels. Both Rarotonga and Aitutaki are considered amongst the best kiteboarding locations in the world and offer up the best conditions for kite lessons anywhere! Local IKO certified Rarotongan operator KiteSUP and Aitutakian operator Aitutaki Kite School offer lessons, boat transfers and rentals to the kiteboarding public.

BONEFISHING IN PARADISE

To the avid angler, Aitutaki presents a challenge of a lifetime as the tropical Aitutaki Lagoon waters is where the World's largest Bonefish make their home. Wit, speed and power is what makes the Bonefish such a worthy opponent. Spotting the flash of the fish, casting with pinpoint accuracy and reacting rapidly as the line pulls taught and tears off the reel requires a skill and finesse like no other form of fishing – mastering the sport can become an addiction! Join local expert operator E2 for a half or full day Bonefishing charter.
