ADVISORY NOTICE REFURBISHMENT WORK AT PACIFIC RESORT RAROTONGA

Kia Orana from the Cook Islands,

Pacific Resort Hotel Group is committed to continually upgrading its facilities and improving its service delivery in order to deliver on its promise of 'absolute guest satisfaction'. We have planned renovation activity that has been scheduled for completion during the quietest time of our business year at Pacific Resort Rarotonga during 2018.

We are sending you this letter to create awareness for any held bookings or future bookings made at Pacific Resort Rarotonga during the specified time frame below.

Outlined below is the specific project and the dates refurbishment work will be undertaken. We have also attached a map of Pacific Resort Rarotonga and highlighted the area where the work will be completed.

PROJECT #1 REFURBISHMENT STANDARD STUDIO & STANDARD FAMILY ROOMS (ROOMS 19-26)

DATE OF REFURBISHMENT: 10 January to 30 April 2018 - rooms 19-26

OVERVIEW OF WORK: A full refurbishment of this two story block will be undertaken and will include re-tiling throughout, new bathrooms and kitchen fit outs and a complete repaint of the interior and exterior of the building.

DISRUPTION STATEMENT: This is an isolated standalone private block located in the middle of the resort with a second block of 8 standard rooms on the western side. Given the controlled and contained location and nature of refurbishment work associated with this project we expect minimum disruption to resident house guests.

It is to be noted that during 2017 the same refurbishment work was completed on the western block of 8 rooms with no registered disruption to guest experience and comfort.
